Dear Mary,

Did I send you the receipt for the Insurance?  
Also did you ever get that pictorial map of London I  
sent to the house while you were in the hospital?

I am going to Baltimore for the week end leaving  
tonight, Friday night and coming back on the midnight  
train Sunday. This time I am going to have a little  
pigmented mole cut out from my side. Its a good  
thing to get rid of them. Expect to have a fine time  
with the Hookers and Dr. Welsh and Dr. Sherwood.

This is the day of the Bethel Bach festival.  
I would like to have gone to it but had no seat.

If Mrs. Denison decides to come back earlier I hope  
that she will cable so we can get our plans shifted. If  
we do not go I shall take my car out of storage.

My date at Ann Arbor is Monday June 14th. I  
shall have to leave here I think Saturday June 12  
and will probably not be back until Wednesday, June 16.  
Ann Arbor is a hard place to get to and from for there  
is only one good train a day. I found that out when I  
went to Detroit.

With love,

Flora
